Morpeth Library Garden club—We support GMDT and the Library team in the border clean-ups and planting.

Tree Guards:— New this year—see stats left—fantastic support from MLG volunteers—we have mostly cleared all guard along the Northern Bypass from Whorral bank o A1 junction.

Rear Path of Railway Station and Walled area of Deuchar park: 1200 Wallflower plants placed here, we support regular cleanups of the area. We have a beautiful display in spring—loved by many—litter more or less disappeared. Thanks to John for adopting the bag there..

NOTE—in the HEADING - figures in brackets are last year figures what a difference we have made!!!!
